

SenesTech Board of Directors

Bill Baker

Bill has been in Banking for over 30 years and is currently a Senior Vice President with American Security Bank in California. Bill and his family lived in Flagstaff for 17 years where he was very involved in the Community. Bill's background is concentrated in Commercial development and lending and has worked for large regional banks and community banks. Bill's current portfolio includes deposits and loans in excess of \$200 million and includes the largest Branch. Bill also worked as Controller of a construction company with over \$50 million in annual revenue. Bill was introduced to SenesTech over 7 years ago and has worked with Loretta and Cheryl on assisting the Company in developing short and long term goals and projections. He initially started with SenesTech as the Chairman of Finance before becoming a Board member.

Eve Ross

Eve Ross is lead Healthcare Counsel at W.L. Gore and Associates, Inc., a privately held, global diversified manufacturing concern. She is an experienced healthcare lawyer with expertise in commercializing medical devices. Her practice is focused on regulatory issues including corporate governance, market access, and commercialization in domestic and international markets.

Ms. Ross is a former Chairperson of the AdvaMed Technology and Regulation Steering Committee, a member of the Flinn Foundation BioScience Steering Committee, and founder, Northern Arizona Technology and Business Incubator. She serves on Governor Brewer's Trade and Transportation Corridor Alliance, is a member of the Leadership

Advisory Committee for the Flinn-Brown Civic Leadership Academy, and is on the Board of Flagstaff Community Foundation. Eve Ross received her B.A. from Hamilton College, Clinton, NY and her J.D. from Arizona State University, Tempe, AZ

Julia Williams, MD

Julia Williams, MD, has been an Emergency Department Physician for 27 years. She currently works at Flagstaff Medical Center and also works as the Medical Director for a local Hospice. Dr. Williams is the founder and president of Humanitarian Efforts Reaching Out (HERO), a non-profit 501c3 organization. HERO provides humanitarian services including medical and dental care, alternative power sources, solar cookers, vitamins, eye glasses, nutritional support and animal care. HERO's mission is to help build healthy sustainable communities in underdeveloped Nations around the world. She is a strong supporter of SenesTech and the technologies they have developed and often says, "Our missions are very similar in that we are both trying to make the planet better for both human and animal populations." Her other interests include raising companion animals

for disabled people and teaching ceramics at the Sedona Arts Center.

SenesTech Board of Directors

Bill Calloway

Bill became an external member of SenesTech, Inc.'s Board of Directors in May 2012, and provides expertise in manufacturing and business practices. He recently retired from Nestle Purina Pet Care Company after 35 years of service, the last 17 years as Plant Manager of the Flagstaff Manufacturing and Distribution Facility. He earned a Bachelor's Degree in Business Administration at Pennsylvania State University after serving in the United States Navy for four years. He has served as Chairman of the Greater Flagstaff Economic Council, Chairman of the Chamber of Commerce, Chairman of United Way of Northern Arizona, a member of the executive board for Flagstaff Forty, a member of the executive board for the Economic Collaborative of Northern Arizona, a member of Arizona Governor's Community College Advisory Committee, and an advisor to the

Northern Arizona University School of Engineering, Natural Sciences and Forestry.

Pat Cantelme

Pat was promoted as youngest Fire Captain on city of Phoenix Fire Department at age 25 in 1975. He was elected as President of United Phoenix Fire Fighters' Association Local 493 in 1978, and continued in that capacity for 20 years representing fire fighters in Phoenix, Tempe, Chandler, Glendale and Peoria. He retired from the Phoenix Fire Department after 30 years in January, 1999.

In 2000, Pat became the Founding partner of MedicWest Ambulance providing Emergency and General Transport Ambulance service in Las Vegas, North Las Vegas and Clark County, Nevada. He grew the company from a startup in 2000 to transporting over 40,000 patients a year in 2007. In 2007, he sold the company to American Medical Response.

Pat's community involvement includes: Former board of Directors of Valley of the Sun United Way, Former Chairman of City of Phoenix Planning Commission, Former President of Central Arizona Labor Council, Former Chairman of Public Safety Retirement System of Arizona, and Former Member of Governor's Groundwater Task Force.
